

YOU ARE INVITED

to participate in a survey about the general health of our community.

Please complete and return by Feb. 8th.
You may go online www.smrmc.com or
fax the questionnaire back to
601.250.4284.

Always
Listening
To You. SM

Southwest Regional is conducting a Community Health Needs Assessment and your input is important to us while we learn more about the health needs in our community.

Have you used any health services offered at either hospital or physician clinics in the past 12 months?

Do you or a member of your family live with a chronic disease? If so, what disease?

Where do you go when you are seeking information or education on health related topics?

If you could name a health or wellness program that would benefit the health of you or your family, what would it be?

Is there a health or wellness need that you are aware of in Pike County?

Please list any other comments or information you would like to share.
